field	Actions	SDGs
Health	We transmit the joy of sports to all people regardless of age, gender, race, and enable people to enjoy sports all through their lives. We provide minor sports programs and assist professional athletes' social contributions activities.	  
Education	We hope all athletes will acquire adequate education for their second career after playing sports. So we provide educational opportunities abroad through GXA sports abroad programs and also provide internship opportunities or seminars for specialized and effective skill and knowledge.	
Resource	We utilize reuse or recycled-items of sports tools such as recycled baseballs and ware at GXA sports teams in order to educate youth how important the natural resource is. Also we ship unused sports items to developing countries for reuse.
